

PRODUCT NAME

Crib 140 x 70

SIZE (cm)

length 144 width 74 height 90

PRICE

COLOUR

colour natural birch / white paint

## TECHNICAL INFORMATION

**material:** quality attested solid birch plywood

**finish:** organic paint compliant with the EN 71 part 3 Standard - Safety of toys - Migration of certain elements (no heavy metals).

**safety:** The bed has been designed and manufactured in accordance with the European Standard which is in force in Poland as Polish Standard PN-EN 716-1 & 2 + A1, all Kutikai furniture elements are hand-finished and covered with non-toxic paints, and strong emphasis is put on Safety and Quality Assurance.

**environment:** Kutikai guarantees eco-friendly manufacturing process and safety of all materials used to manufacture this product.

Bed size is adapted to standard size mattresses.

---

## FUNCTION

The height of the bed allows to put the baby comfortably into the crib without leaning over too much. The height of the mattress is adjustable: first level is for newborns till the baby becomes more lively and learns to roll over, second level - for more active kids till they learn to sit, third level - for when our little ones practice getting up until they become clever enough to try climbing out of the crib. A „clever toddler’s convertible bed set” is also available to let the child get in and out of bed fully unassisted.

---

## DESIGN

The Roof Collection designed by Kutikai brings out the exceptional nature of plywood. It comes across the needs of a modern parent and truly makes children smile. The rungs are unevenly arranged with varying width, the narrowest fits perfectly into the baby’s small hands making it easier to stand up. Simple, safe, and practical, with a robust design, manufactured in a family carpenter shop in the south of Poland - all under strict designers’ supervision.
