FUNCTION

This bookcase is perfect for storing items that should always remain within children's reach. The bottom part has 3 small handy drawers for frequently used items, above there are open shelves that vary in height: for small and bigger books, and toys. The size of the bookcase and the arrangement of the shelves have been designed especially for children's convenience.

DESIGN

The Roof Collection designed by Kutikai brings out the exceptional nature of plywood. It comes across the needs of a modern parent and truly makes children smile. The rungs are unevenly arranged with varying width, the narrowest fits perfectly into the baby's small hands making it easier to stand up. Simple, safe, and practical, with a robust design, manufactured in a family carpenter shop in the south of Poland – all under strict designers' supervision.
